

11. Memorization of Quraan for Women

For female students, there is a permanent department for Qaida, Nazra, Quran memorization, and Tajweed. Contemporary education is also provided.

Among the female students studying Quran, there are domestic and foreign female students. The female staff has been arranged to take better care of female students.

Undergoing female students are provided with excellent facilities such as education, accommodation, food, treatment, and air-conditioned rooms. Until now, a large number of Hafizat who have achieved the blessing of complete memorization of the Holy Quran are performing the services of publishing and teaching the Holy Quran in various institutions.
